Step 1
First, gather the supplies you need. You will need red, green and yellow construction paper, tape, a pencil and a scissors.

Step 2
Trace your hand on the green paper several times.

Step 3
Cut out your traced hands and tape them into an overlapping circle.

Step 4
Roll a sheet of red paper and tape it closed to create a candle. Cut out a small flame from the yellow paper and tape to the inside of the candle, leaving it visible at the top.

Step 5
Make four candles and glue/tape them to the wreath. Hooray, you made an advent wreath!
