Hej Let's Create!

Bird Feeders

Step 1
First, gather the supplies you need. You will need birdseed, a large pinecone, peanut butter and string or yarn.

Step 2
Tie one end of the string to the top of the pinecone.

Step 3
Tie the other end of the string to the pinecone, creating a loop.

Step 4
Use your fingers to push the peanut butter into the spaces in the pinecone. Don’t be afraid to use a lot of peanut butter!

Step 5
Pour the birdseed over the pinecone, covering the entire pinecone.

Step 6
Hooray! You just finished your bird feeder! Now it’s time to find a great tree branch to place your bird feeder and enjoy all the birds that come to eat!
