Stretch one section of a sock over the jar and secure with the rubber band.

Step 3
Use various sharpies to color over the section on the jar, don’t worry about being neat!

Step 4
Fill the spray bottle with the isopropyl alcohol and spray over the sharpie marks. Repeat steps three and four until the socks are completely covered.

Step 5
Lay your socks out to dry.

Step 6
Hooray! You just made tie dyed Pippi socks! Now you are ready to walk backwards in your new socks just like Pippi!
