One of the things that we like about the Rivstart textbook series is that it includes additional materials that you, as a student, can access online. The online materials include:

- **Ljudfiler**: audio files for the listening exercises in the textbook
- **Uttal**: audio files for the pronunciation section of the textbook
- **Övningsbok facit**: answer key for the exercises in the workbook
- **Textbok facit**: answer key for the exercises in the textbook
- **Ordlista engleska**: a vocabulary list in English by chapter
- **Hörförsåelsetexter**: listening comprehension texts
- **Verblista**: a verb list with the various forms of verbs in Swedish
- **Webbövningar**: extra online exercises by chapter (kapitel)
- **Framstegstester**: chapter review tests
- **Framstegstester facit**: answer key for the chapter review tests

To access the online materials, go to [www.nok.se/rivstart](http://www.nok.se/rivstart). You should come to a page that looks like this (see below).

Click the “Logga in” button in the top right corner. It will bring you to the next page where you will need to make an account. Click the “Skapa konto här” link next to ”Ny användare” (New user).
Fill in your details on the Skapa konto (make an account) page. You will need to enter your First name (Förnamn), Last name (Efternamn), Email address (E-postadress), and create a Password (Lösenord – at least 7 characters).

Then you need to check the “Jag har läst och godkänner villkoren” (I have read and accept the terms and conditions) and click Skapa konto. You can skip the “Jag vill ha produktnyheter från Natur & Kultur” (I want to receive product news from Natur och Kultur) unless you would like to receive emails from them.

After creating your account and logging in, you will come to the Rivstart page.
Scroll down the page until you see the box for “Kostnadsfritt extramaterial” (Free extra material). Click on “Öppna” (Open).

It will bring you to another landing page.

Click on “Öppna” again to come to the extra material.
You can navigate to the different chapters by scrolling, or by clicking “Meny” (Menu) on the side. When you click on the chapter, you can access the “Ljudfiler” (Sound files) for the textbook exercises and the “Övningar” (Extra practice exercises). The sound files are numbered in the book. Click on the corresponding number on the website to hear the dialogue.
The practice exercises (Övningar) are organized by topic, “Grammatik” (Grammar) and “Ord och fraser” (Words and phrases).

If you scroll all the way to the end of the “Meny” (Menu), you will come to even more helpful material, “Övrigt material.” “Facit och tester” (answer keys), “Framstegstester” (chapter tests), “Ordlistor och Verblista” (Vocab lists and verb list), “Hörförståelse” (Listening practice), “Uttal-Ljudfiler” (Pronunciation sound files), “Lyssna på podd” (Listen to podcasts (which correspond to book)).
