Step 1
First, gather the supplies you need. You will need paper, a scissors and a pencil.

Step 2
Trace out a circle. Evenly divide your circle into eight pie shaped sections.

Step 3
Draw out the pattern you would like your snowflake to follow in one of the sections. I drew a dala horse pattern.

Step 4
Fold your circle using the pencil lines as a guide, leaving the penciled in pattern on top.

Step 5
While the paper is folded, cut out your pattern using the pencil lines as a guide.

Step 6
Unfold your snowflake.

Step 7
Hooray! You finished your Swedish Snowflake! Hang your beautiful snowflake on a window.
